

# STAGE 4.5

JULY 4<sup>TH</sup> - SEPTEMBER 25<sup>TH</sup>

Local governments may impose more stringent guidelines  
**K-12 schools operating according to locally determined schedules**

## GUIDELINES FOR ALL HOOSIERS

- Hoosiers 65 and older and those with known high-risk medical conditions should adhere to social distancing guidelines and remain cautious at work and in their communities
- Face coverings are required according to Executive Order 20-42
- Social gatherings of up to 250 people may take place following the CDC social distancing guidelines. The coronavirus is often spread among groups of people who are in close contact in a confined space for an extended period of time. This limit applies to wedding receptions, parties, and other events where people are in close physical contact for extended periods of time, particularly in indoor locations
- Outdoor and indoor visitation has resumed at assisted living facilities and nursing homes, in accordance with ISDH visitation guidelines
- Congregate meals and activities at senior centers remain closed
- Hospital visitations encouraged with precautions

- Organizations that utilize volunteers are encouraged to re-engage them for activities. Use appropriate screening and precautions. Hoosiers 65 and older and those with high-risk medical conditions should look for ways to assist online or from home

## STAGE 4 RESTRICTIONS THAT CONTINUE

- Dining room food service may operate at up to 75% capacity as long as social distancing is observed
- Bar seating in restaurants may operate at 50% capacity as long as social distancing is observed
- Bars and nightclubs may operate at 50% capacity adhering to social distancing guidelines. Seated-only operations are encouraged
- Cultural, entertainment, and tourism sites may operate at 50% capacity. This includes museums, zoos, aquariums, and like facilities
- Movie theaters, bowling alleys, and similar facilities may operate at 50% capacity, adhering to social distancing guidelines
- Raceways may operate at 50% grandstand capacity

## STAGE 4.5: WHAT'S OPEN, WHAT'S CLOSED

- Venues may operate at a 50% capacity with adherence to social distancing guidelines

### STAGE 4 RESTRICTIONS THAT CONTINUE

- Amusement parks, water parks, and like facilities may operate at 50% capacity; reservations are encouraged to limit the number of customers at any one time
- Personal services continue operations with restrictions
- Gyms, fitness centers and other workout facilities continue operations with restrictions

### IN STAGE 4.5

- K-12 school operations, extra-curricular and co-curricular activities have resumed
- Pari-mutuel horse racing and county and state fair racing may operate with 50% spectator capacity
- Youth overnight camps are allowed. See guidance
- Fairs, festivals and other similar outdoor events may open and conventions may resume. Requirements for gatherings and events are below

## REQUIREMENTS FOR EVENTS

### SOCIAL GATHERINGS AND MEETINGS ARE LIMITED TO NO MORE THAN 250 ATTENDEES

- A “social gathering” or meeting is an event, assembly, or convening that brings together multiple people, individually or from separate households, in a single space, indoors or outdoors, at the same time and in a coordinated fashion where a significant purpose is to interact with others — like a wedding, family reunion, party, barbecue, picnic, club, banquet, or conference.
- Social gatherings and meetings are limited to no more than 250 people.

### SPECIAL OR SEASONAL EVENTS

- A special or seasonal event is an event, assembly, or convening of multiple people from separate households in a single space, indoors or outdoors, at the same time but where the significant purpose is not necessarily for the purpose of individuals interacting with others outside of one's household – like weekly summer concerts or movies-in-the-park, fairs, festivals, carnivals, parades, graduation ceremonies, community holiday celebrations, conventions, fundraisers, sport or racing competitions, outdoor shows, and other outdoor entertainment events.
- Special or Seasonal Events where the total attendance will be in excess of 250 individuals (according to capacity limits in Stages 4 and 4.5) must have an event plan approved by local health officials before proceeding.

## STAGE 4.5: WHAT'S OPEN, WHAT'S CLOSED

### OTHER EVENTS NOT COVERED

- This guidance does not apply to school classrooms; areas where people may be in transit such as an airport; settings in which people are in the same general space at the same time but doing separate activities, like medical offices, hospitals, or business environments such as offices, internal meetings solely among employees of a single business, retail stores, and restaurants where people may be working, shopping, or eating in the same general area but are not gathering together in an organized fashion. Religious services are excluded. The activities of these events are subject to separate requirements and guidance.

### GENERAL CONSIDERATIONS

- The more people an individual interacts with at an event and the longer that interaction lasts, the higher the potential risk of becoming infected with COVID-19 and COVID-19 spreading
- Additionally, the higher the level of community transmission in the area that the gathering or event is being held, the higher the risk of COVID-19 spreading
- COVID-19 transmission may occur more easily indoors than outdoors
- Health Departments and event organizers should continue to assess, based on current conditions, whether to significantly reduce the number of attendees for gatherings, or even postpone or cancel the event
- Per the CDC, the highest risk events are large in-person gatherings where it is difficult for individuals to remain spaced at least 6 feet apart and attendees travel from outside the local area

### EVENT PLANS

The following requirements apply to special or seasonal events where there will be more than 250 people in total attendance:

- a. Event organizers must develop and submit to the local health department a written plan outlining the steps to be taken to mitigate against COVID-19. Each plan must address the following issues:
  - Capacity Limits - outline steps that will be taken to ensure the overall capacity does not exceed allowable limits set out in Stage 4 or 4.5 and social distancing can be achieved. For example, outdoor concert venues are limited to 50% of capacity. Event organizers should consider whether to stagger or cap attendance, limit the number of people present at any given time, issue tickets with staggered start times, limit attendance duration
  - Guest Information - provide appropriate information to guests to stay home if sick or part of a vulnerable population, engage in social distancing, increase handwashing, etc. Use signage and other tools to make guests aware of COVID precautions

## STAGE 4.5: WHAT'S OPEN, WHAT'S CLOSED

- Staff & Volunteer Screening – identify measures that will be taken to appropriately screen staff and volunteers for COVID-19 symptoms. Use questionnaires, take temperatures, or both
  - Social Distancing Measures – identify measures that will be employed to ensure attendees engage in social distancing such as one-way flow of attendees, ground markings, seat markings, etc. Allow space for seating between vehicles
  - Increased Sanitation – provide steps that will be taken to ensure the event space is appropriately cleaned and sanitized, that high touch areas have increased cleaning; and additional handwashing or hand sanitizing is available. Examples are no food samples, drink refill stations or communal condiment areas; touchless payment; water fountains used to refill bottles only; increase ventilation
  - Face Coverings – face coverings are required
  - Compliance – identify event staff or volunteers who will monitor and ensure compliance with the approved plan. Examples: Use staff to direct the flow of attendees, have a COVID-19 point of contact for all staff/volunteers
- b. Monitoring & Enforcement – event planners must have sufficient event staff or volunteers present during the event to monitor and ensure compliance with the approved plan and other Executive Order directives
- c. Plan Submission Timeline –
- Plans must be submitted at least 7 days in advance of the event
- d. Local health departments must review and approve or disapprove event plans.

## STAGE 4.5: WHAT'S OPEN, WHAT'S CLOSED

### BACK ON TRACK INDIANA: STAGE 4.5 - JULY 4<sup>TH</sup> - SEPTEMBER 25<sup>TH</sup>

#### LOCAL GOVERNMENTS MAY IMPOSE MORE STRINGENT GUIDELINES

Please note the roadmap is subject to change based on CDC guidance and other new information.

<b>All Hoosiers</b>	65 and older and high-risk citizens remain cautious and social distance	Remote work as needed	Face coverings required, Executive Order 20-42	Social gatherings permitted up to 250 people	No travel restrictions
<b>Manufacturing, Industrial, Construction</b>	Open; must meet IOSHA, CDC guidelines				
<b>State, County &amp; Local Government</b>	State government complex open. Visitors and state employees are required to wear masks in indoor public areas, with exceptions	Screen employees daily	Provisions for employees to maintain social distancing	County and local governments determine their policies	Public libraries may reopen according to their own policies
